Good morning Albert,

The homeless tents at 4450 Adams are creating a safety and health hazard for pedestrians on Victoria Ave. Can we schedule another cleanup ASAP with LASAN?

Thank you,

Catherine

Hi Catherine,

Thank you for contacting the council office.

According to depot records this site was last serviced in June.

City services and the council office have been monitoring this location to include serving by LAPD's HOPE team.

I will go by the area today to assist LASAN with processing another clean up.

Also will inform LADOT parking enforcement about the black vehicle with the flat front tire to parking enforcement.

Please contact me should you need assistance with future request for city services.

Kind regards,

Hi Kimani,

I've submitted a number of requests on 311 regarding the homeless encampment outside our property at 4450 Adams but am becoming increasing distraught and frustrated with the situation there. Attached are photos from this morning when I saw trash and other items blocking access to the front door of our property. Initially, they were on the Victoria side of the building but last week bags of trash appeared directly in front of our building (instead of in the trash bin ten feet away) and now they have moved bedding material and trash and are blocking access. Additionally, they have been throwing trash over the rear fence into our parking area (photo attached).

The Montessori school is directly across the street so in addition to blocking our access, this situation is creating a hazardous situation for children walking to school.

Please let me know what can be done about this situation so that we can have safe access to our property. I have been documenting the last few months and can send more photos of the Victoria side as well.

Thank you,

Catherine
